## Trojan Hall of Fame Nominations

Dear Alumni,

Our school has been blessed by many gifted individuals, both alumni and non-alumni, who exhibit the qualities that our Marianist teachings have striven to impart in us all. The Trojan Hall of Fame was created in 1999 to honor those individuals for their accomplishments and their dedication to their families, their communities, their businesses and their school.

Each year, a committee of individuals work together to select nominees to the Trojan Hall of Fame. We ask that you, as alumni, consider those who have made a difference in our world by exhibiting the Marianist qualities:

- ◆ Nurturing deep personal faith, the faith of Mary, the mother of Jesus
- ◆ Delivering the highest quality education of the whole person, kindling a love of learning and the pursuit of excellence
- ◆ Cultivating and celebrating a diversity of gifts
- ◆ Providing a family spirit of hospitality, participation, and belonging
- ◆ Developing genuine and active concern for the needs and rights of others
- ◆ Instilling habits of observation, reflection, critical thinking, and action to shape the future.

If you know of someone who embodies these qualifications that you would like to nominate for the Hall of Fame, please prepare a correspondence including the following details:

- ◆ Nominee's name and address (or next of kin if deceased); Graduating Year is applicable
- ◆ How you know/knew the nominee
- ◆ Marianist qualities exhibited by the nominee in his/her
  - Personal Life
  - Professional Life
  - Experiences with North Catholic

We ask that all nominations for this year's Hall of Fame be submitted no later than May 1<sup>st</sup>. Nominations remain active for three years and all details provided will remain completely confidential to the committee members. Please attach any documents that would support the nomination.

Fortes in Fide,

The Trojan Hall of Fame Committee
